## WHAT YOU WILL LEARN...

- How to inspire people when times are tough
- How to secure your personal commitment to the changes you want
- How to approach the sensitive issues of organisational change
- What it really means to have a high performance culture, and how to get it
- The secrets to making change work in modern organisations
- Why personal and business goals frequently fail and what you can do about it
- Why the leadership lessons from business school aren't working
- What the new rules of sustainable leadership look like
- How business can benefit from 21st century trends ... and much more
